99.1	Enduro Royalty Trust Press Release dated June 18, 2013.

**Enduro Royalty Trust  
Announces Monthly Cash Distribution**

AUSTIN, Texas—(BUSINESS WIRE)—June 18, 2013

Enduro Royalty Trust (NYSE: NDRO) (the “Trust”) announced today a cash distribution to the holders of its units of beneficial interest of \$0.128817 per unit, payable on July 15, 2013, to unitholders of record on June 28, 2013. The distribution primarily represents oil production during the month of March 2013 and natural gas production during February 2013.

The following table displays underlying oil and natural gas sales volumes and average prices attributable to the current and prior month distributions.

	<u>Underlying Sales Volumes</u>		<u>Average Price</u>	
	<u>Oil (Bbls)</u>	<u>Natural Gas (Mcf)</u>	<u>Oil (per Bbl)</u>	<u>Natural Gas (per Mcf)</u>
Current Month	75,917	612,661	\$ 86.06	\$ 3.38
Prior Month	68,813	699,021	\$ 79.77	\$ 3.39

Oil volumes were approximately 2,450 Bbls/D for the current month calculation period, which was consistent with the prior month. Average NYMEX oil prices decreased slightly from February to March 2013; however, average oil prices received for the production month of March 2013 increased as a result of the narrowing of basis differentials in the Permian Basin.

Proceeds from the settlement of applicable hedge contracts related to the properties underlying the Trust were approximately \$0.5 million, of which \$0.1 million related to March 2013 oil hedges and \$0.4 million related to April 2013 natural gas hedges.

Capital expenditures for the properties underlying the Trust during the period were approximately \$0.5 million, which relates to expenses incurred during April 2013.

Enduro Royalty Trust is a Delaware statutory trust formed by Enduro Resource Partners to own a net profits interest representing the right to receive 80% of the net profits from the sale of oil and natural gas production from certain of Enduro Resource Partners’ properties in the states of Texas, Louisiana and New Mexico. As described in the Trust’s filings with the Securities and Exchange Commission, the amount of the periodic distributions is expected to fluctuate, depending on the proceeds received by the Trust as a result of actual production volumes, oil and gas prices and the amount and timing of the Trust’s administrative expenses, among other factors. Future distributions are expected to be made on a monthly basis. For additional information on the Trust, please visit [www.enduroroyaltytrust.com](http://www.enduroroyaltytrust.com).

All statements contained in this press release, other than statements of historical facts, are “forward-looking statements” for purposes of these provisions. The anticipated distribution is based, in part, on the amount of cash received or expected to be received by the Trust from Enduro Resource Partners with respect to the relevant period. Any differences in actual cash receipts by the Trust could affect this distributable amount. Other important factors that could cause actual results to differ materially include expenses of the Trust and reserves for anticipated future expenses.
